

Commissioner Hires stated it was Board decision. Commissioner Wood stated he felt it was the best thing to do since all the criticism and did not know if it was legal to drop back and hire someone from the old applications.

Attorney House stated it was his opinion also, to re-advertise for the position and do every thing above board and recommended that the person be hired pursuant to Chapter 125.

Clerk Wise presented a letter from Jerry Ausley, Farmers Home Administration, requesting the leaks in the Courthouse roof be repaired before damage is done to their new computer system.

There being no further business to come before this body, the Board did then adjourn.
